MOTION FOR ORDER ON FURTHER PROCEEDINGS

The Continuity Shippers Association moves for an order on further proceedings incorporating the following schedule. The CSA makes this motion after consulting with the United States Postal Service and the Office of Consumer Advocate. CSA, USPS and the OCA propose to adhere to this schedule pending a further PRC order.

Interrogatories to the direct testimony of Larry Buc must be submitted by January 13, 2000;

The response to any interrogatories must be submitted by January 20, 2000;

All participants must indicate by January 24, 2000 whether they request hearings prior to the submittal of final briefs or whether they wish to submit rebuttal testimony. If hearings are requested, the CSA requests that the Postal Rate Commission set aside one day in the period January 26-28, 2000 for the hearing. If hearings are requested, a post-hearing date will be established to request the opportunity to submit rebuttal testimony.

If no hearings are requested and no rebuttal testimony is to be filed the CSA (and any participants supporting the CSA's complaint) will file final briefs by January 28, 2000, and the Postal Service (and any participants opposing the CSA's complaint) will file final response briefs by February 14, 2000.
